AND EVENTS GUIDE

Photo by Ruth Stenson

Located on the Tay River between Ottawa and Kingston, Perth is a *small town* with a BIG VISION of how life should be.

2016 marked a very special anniversary for the Town of Perth - 200 years of making history! Along the way, we've helped countless couples make their own history.

Every year, hundreds of people make Perth their destination for weddings. We're fortunate to have a great selection of venues for your special day: be it the natural outdoor beauty of a local park, all the amenities of a full service destination hotel, or a local service club hall to meet the capacity of your large family. Perth has the venues, accommodations, restaurants and so many businesses and services which directly support the wedding industry.

## *Stewart Park*

Undeniably the gem of Perth, Stewart Park offers a natural open space and features rock wall gardens, majestic maples, secluded spots for intimate ceremonies, and sprawling green space for larger events. All areas offer a view of the Tay River.

Stewart Park comprises three sections of land, totaling 5.24 acres and is located behind Perth's historic Town Hall on Gore Street East. It is accessible from Mill Street and Wilson Street (across from Code's Mill). Several tributaries of the beautiful Tay River run through the park. Quaint pedestrian bridges link the three parcels, with large stone Millennium Gates to the south, the Perennial Gardens to the northwest and Code/Haggart Park to the north.

Stewart Park can be reserved for weddings and other events from May to October, on a first-come, first-served basis. Up to three weddings can be hosted per day, depending on the size of wedding, exact location and ground conditions.

The three areas available to reserve are:

***Perennial Gardens*** featuring the beautiful stone steps, and rock wall gardens and pergola

***Millennium Gates*** with antique wrought iron feature, adjacent Mill Street

***Front area*** located directly behind Town Hall and the Bandshell, featuring mature maple trees

COST: \$158.45 +HST, half day

NOTE: A simple contract is required, customized to suit your reservation. Stewart Park was deeded to the Town in 1947 by the late Jessie Mabel Stewart. The deed still exists and the Town operates the park according to those provisions. Here are some of the stipulations for using the park:  
No open fires, No vehicles permitted in the park, No alcohol permitted in the park, No paper confetti to be used within the park, All guidelines and standards of the Parks Bylaw are in effect.

## *the Crystal Palace*

So unique! The Crystal Palace, in the heart of Downtown Perth at the Tay Basin, is a three-season glass enclosure available for special event rentals. The Palace is located on Basin Lane, with a separate washroom building and ample parking, just a block away from Stewart Park. The International Friendship Fountains add a special flare to the atmosphere.

With a total of 4,560 square feet, the Palace can accommodate most wedding receptions. It can be licensed (by Special Occasion Permit) for an occupancy of 360, depending on seating and layout.

The Crystal Palace is occupied by the Perth Farmers' Market every Saturday morning between May and October, from 8am to 1 pm. It is available for rentals from 2pm on Saturday, and other dates and times depending on availability.

The Town rents the building clean and empty - a blank canvas! The Town can provide 25 tables (3'x6') and chairs (125 folding) at no extra charge, or the renter may choose to bring in their own. The renter is responsible for providing all other items required, such as, but not limited to:

- Staging, sound and lighting
- Decorations
- Catering and any equipment needed
- Bar, liquor license and Smart Servers
- Insurance

COST: full day, 9hrs \$343.17+hst, no convenor \$554.36+hst, with convenor  
half day, 4hrs \$211.20+hst, no convenor \$311.48+hst, with convenor

NOTE: The building is fitted with ample GFI electrical outlets, as well as radiant gas heat May-Oct \$52.85+hst a day. Air conditioning is not available.

## *Terrace on the Tay*

Perth's newest event facility is now open for business!

Terrace on the Tay is nestled on the Tay River off Mill Street. This venue includes the Dry Stone Bridge, a newly renovated kitchen and washroom facility with wrap-around deck and outdoor cobblestone terrace (approx. 2000 sq. ft.) with amphitheatre-style seating. A 20'x30' tent is optional for cover.

The venue itself can be licenced by the renter, or the kitchen used specifically for catering purposes. Only limited parking is available, so guests can use the Basin Parking Lot (30 meters away) and walk over.

Terrace on the Tay is completely accessible with a full ramp from the street down to the river. Multiple accessible washrooms are available, as well as electrical outlets. Rental is available with or without the Convenor, based on licencing requirements. Tables (3'x6') and folding chairs can also be made available. The Renter is responsible for setting-up and tearing-down the venue.

This is a picturesque, unconventional location to host your wedding or event! Terrace on the Tay is that special place to offer your guests an unexpected, summery vibe, with a hint of the past, close to Stewart Park in Downtown Heritage Perth.

## Permits & Licenses

### ONTARIO MARRIAGE LICENSE

You can download the application for an Ontario Marriage License from the government's website at:  
[www.ontario.ca/page/getting-married](http://www.ontario.ca/page/getting-married)

Alternately, you can visit any municipal office, including Perth Town Hall, to get an application and process the license.

Please note that:

- Processing takes about one hour and is valid for 90 days
- An appointment is recommended, call the Town Hall 613-267-3311 x2236 to book, Monday to Friday between 8:30am and 3:00pm.
- Cost of the application/license is \$140.00
- Date and location of the wedding is required to apply
- Both parties need to sign the application and provide 2 pieces of ID each (one must be photo ID), however, only one party needs to be present to process the license.  
All documents must be original - no photocopies
- The original Divorce Certificate (with red seal) is required if applicable.

### SPECIAL OCCASION PERMIT (SOP) LIQUOR LICENSING

To obtain your own liquor license (Special Occasion Permit), go to the government's website at [www.agco.on.ca](http://www.agco.on.ca) to complete the application form and get tips on Smart Serve requirements and how to run your bar.

Every facility and/or venue will have their own guidelines concerning the sale and service of liquor. Please check with each venue to find out what the renter is responsible for.

If you are applying for an SOP for the Crystal Palace, please indicate 'outdoor license' on the application. Liquor licensing can take anywhere from 30-60 days.

### CLERGY, OFFICIANTS & CEREMONIES
