## Terms and Conditions

1. In order to be eligible for a Façade and Signage Improvement Program grant an application form must be submitted to the Town prior to commencing any works.
2. Applications will initially be reviewed by town staff with regard to planning approvals and/or building permits requirements.
3. Applicants will be advised in writing of any required approvals or permits associated with their application.
4. Eligible applicants must either be the owner of the property, an agent for the owner of the property, or the tenant of a property to whom the owner has provided written consent for the application.
5. In order to be eligible for the grant program, all proposed projects must be within the designated Perth Community Improvement Plan Project area, as established under By-law No. 4173.
6. Submitted projects must help to achieve the Perth Community Improvement Plan's (CIP) goals and objectives for Perth.
7. In order to be eligible all grant applications must include completed application forms and supporting materials such as detailed work and material plans, three (3) cost estimates and contracts, applicable reports and any other applicable information as required by the Town.
8. Should less than three (3) quotes be obtained, the CIP Advisory Panel shall follow the provisions of the Procurement By-law, as amended from time-to-time.
9. Works associated with the Façade and Signage Improvement Program must be in accordance with all town policies, procedures, standards, and guidelines in order to be approved.
10. Existing and proposed uses must be in conformity with the policies and standards provided by the Town's Official Plan, Zoning By-law, and all other planning documents.
11. CIP works associated with the Façade Improvement Program must be undertaken pursuant to application for planning approval and/or building permit, and any additional required permits and in accordance to the Ontario Building Code and all applicable planning policies and standards.
12. The proposed exterior design of buildings, including signage associated with a grant application must be considered by the Town as consistent with the Town's desired goals for and appearance/character of Perth. The Perth Community Improvement Plan Implementation Advisory Panel (CIP Implementation Advisory Panel) will consider details of exterior design proposed by each applicant when determining eligibility for incentive programs of the CIP. Specifically, the CIP Implementation Advisory Panel will ensure that details of exterior design are compatible with provisions of the Official Plan and generally accepted of community character and compatibility.
13. The grant program made available under the CIP may be used individually or may be combined with additional funding opportunities; however the total of all incentive benefits (including grants and refunds) must not exceed the project's costs.

14. All sources of additional funding, or incentives must be declared at the time of application submission. The Town, in consultation with the CIP Implementation Advisory Panel, is entitled to make recommendations for grant reductions based upon any declared funding or incentives.
15. The CIP Implementation Advisory Panel will evaluate all applications and supporting materials, upon review of the material the CIP Implementation Advisory Panel will make a decision to approve or not approve.
16. Should the CIP Implementation Advisory Panel approve the application the applicant will be required to sign a Community Improvement Project Commitment Agreement (the Agreement) which will outline the terms, duration, and default provisions under the program.
17. Should the CIP Implementation Advisory Panel, Town staff or Council require additional information, plans, studies or any additional works related to the proposed project, the requested information must adequately be provided and/or undertaken prior to approval of the Application.
18. Undertaken and completed works that are associated with an improved grant program application must be consistent with the project description contained in the application form and supporting materials, and with the program agreement. Should works not be consistent with the original project description, to the satisfaction of the Town, the Town may delay, reduce or cancel the grant.
19. Should the Applicant fall into default of any of the eligibility requirements, or fail to meet the detailed requirements of each of the grant program, or any requirements of the Town, the Town in its sole discretion may reduce, or cancel the agreement.
20. The Town may at any time discontinue the Façade and Signage Improvement Program; however all approved projects will receive funding in accordance to the executed Community Improvement Project Commitment Agreement and subject to available funding as approved by Council.
21. Any program commitments may be cancelled if work does not commence within six months of Council's approval of the application or in accordance with an agreement with the Town.
22. Recipients are expected to maintain, in good repair, any work funded in part by the CIP program for the duration of the project's reasonably expected lifecycle.
23. Filing of fraudulent information or misrepresentation of authorization is grounds for disqualification from the grant program at any time and will be grounds for demand of grant repayment.

## Additional Provisions
