

The Town of Perth is currently recruiting for an
Utility Operator II

Posting Date:	February 20, 2025
Closing Date:	March 06, 2025
Salary Range:	\$30.46 to \$35.42 per hour
Hours of Work:	40
Classification:	Union - Pay Panel D
Status:	Full-time Permanent

The Town:

At the Town of Perth, we offer exciting employment opportunities in a workplace that values diversity, collaboration, and community engagement. Working with us means being part of a team that makes a real difference in the lives of our residents. Whether you're starting your career or looking for new challenges, we can't wait for you to join us!

The Opportunity:

Reporting to the ES Lead Hand, the Utility Operator II is responsible for the operation, construction, and maintenance of the water distribution and wastewater systems, and the road network in accordance with approved policies and procedures. The Utility Operator II will also provide backup to other Environmental Services functions, including the Water Treatment and Sewage Treatment Facilities.

What you will do:

- Installation, extension, and replacement of water mains, wastewater, and road networks on public and private property, as required and according to approved Town policy, including the repair of existing water and wastewater piping and services.
- Installation, replacement, and maintenance of fire hydrants, water meters, water valves and other customer service items on private property as required and stated in the Town of Perth policy manual.
- Performs regular maintenance of Water Treatment Plant (WTP) and Sewage Treatment Plant (STP) components.
- Maintenance of water and wastewater services, trouble shooting, and repair of water services during emergency situations.
- Prepares and maintains the mapping records showing the characteristics of the systems on public and private properties.
- Responsible for the supervision of contractors working on private property connecting to existing water, wastewater and road networks. Required to
